### **"Birra CASTELLO" Tournament, reserved to the fencers eliminated at the first round of direct elimination of the épée men competitions of the third round veterans 2011-12 Saturday 21 Janvier 2012.**

Together with the third round of the National Veterans Circuit 2011-12, the Organizing Committee Gemina Scherma organizes the "Birra CASTELLO" Tournament, men épée competitions for athletes eliminated in the first round of direct elimination of cat. 0, cat. I and cat. II-III-IV.

The initiative of Organizing Committee represents an attention signal to the beginner athletes who, in the prospect of facing more experienced opponents, could be little pushed to participate in an official round of the National Veterans Circuit.

With the organization of the "Birra CASTELLO" Tournament, the Organizing Committee wants to offer to the less experienced athletes not only a consolation tournament, but above all the opportunity and the fun to compete with opponents of the same level.

### **TIMETABLE of the "Birra CASTELLO" Tournament**

The competitions of the "Birra CASTELLO" Tournament will begin at the end of the first round of direct elimination of the competitions of the various categories of the third round of the Veterans National Circuit.
