PROPOSAL OF REFEREES

According to the rules for European Veterans Fencing Championships your Federation is invited to propose referees from your Federation for possible selection to referee at the above European Veterans Championships. Selection will take place from the list of submitted proposed referees plus those proposed by the organising Federation.

The organisers offer the following package to selected referees

Insert details of package

This form should be returned to the organisers by *insert date* at the latest, see below for details.

All selected Referees must hold themselves available to the organisers for the complete duration of the Championships.
